To Whom It May Concern,

I have used the services of SCH Home Improvements for over 2 years now. Scott has been a pleasure to work with and does very good work.

He has installed a complete patio to hold a hot tub and has completely renovated one of our bathrooms. We were very pleased with the results of both of these jobs.

I would recommend Scott Heather and SCH Home Improvements to anyone needing improvements done in or around the home.

Yours truly,

A handwritten signature in cursive script that reads "Janice Baird".
