TO WHOM IT MAY CONCERN:

RE: Scott Heather and SCH Home Improvements

Scott finished an 800 square foot basement area, plus an additional 600 square feet of drywalling, for me in early 2004. He had completed a small closet area in my residence in mid-2003.

At all times, Scott was cheerful, energetic, on-time, innovative and knowledgeable. His "yes I can" attitude was greatly appreciated.

I am delighted with the results of Scott's work, and would be happy to recommend him for general contracting work.

Sincerely,

  
GAIL GRANT
