To Whom It May Concern:

We are pleased to provide this letter of reference for SCH Home Improvements (Scott Heather).

From the first time we met Scott, there was an immediate working relationship – we could not be more pleased. Scott incorporated our ideas into the design of our plan, and provided his input from his experience and expertise, from start to finish.

Scott also has an excellent team working with him, and he is present, working along with the team. Their professionalism, and meticulous work have pleased us beyond expectation. Their workmanship is outstanding, and they treat the premises as if it were their own. They were very accommodating, neat, and respectful of and sensitive to our needs.

We have no hesitation, whatsoever, in recommending SCH Home Improvements for any home renovation or handyman work. We know that we will call on Scott in the future. You will not regret choosing SCH Home Improvements!

Thank you Scott and team!

Sincerely,

*Sue & Roy Piché*
